

Restaurant Waddengenot aan Zee Lauwersoog

Just a five-minute drive from Esonstad, you will find Waddengenot aan Zee. With a magnificent panoramic view of the sea, you can enjoy lunch and dinner here. In good weather, Waddengenot aan Zee literally opens all its doors so every sea breeze is your breeze.

Every day at low tide, they are here: **SEALS**. They swim in front of the restaurant and eat their fill of the freshwater fish that is carried into the sea through the sluice gates.

Waddengenot aan Zee is open daily from 9:30 AM
Address: Zeedijk 1, 9976 VM Lauwersoog

Wadlopen Pieterburen

Wadlopen Pieterburen organises daily mudflat hiking tours from Pieterburen and Esonstad. Experienced guides will show you all the facets of mudflat hiking.

Mudflats, channels, tidal creeks and, with a bit of luck, you may also spot seals. Our tours are suitable from age 6. Mudflat hiking shoes can be hired at the Wadlopen shops.

We also organise seal-watching tours and boat trips.

Waddengenot Pieterburen

Waddengenot Pieterburen is a place where parents relax and children play. Here you will find our hotel with wellness facilities, a welcoming café and restaurant with a playground.

For families, the playground is a major attraction. Children can climb, run and play to their heart's content, while parents enjoy the terrace.

Every Sunday during peak season we also hold a Wadden market: a charming regional market full of local products. The perfect complement to a day of mudflat hiking.
